The YMCA:

The Nation's Leader in Swim Lessons

We help you build swimming abilities at all levels--whether you're an absolute beginner learning basic water skills, or preparing for competition-level swimming. Lessons also increase water safety knowledge. Classes are taught by caring, YMCA instructors. Class participants are divided into skill levels and class size is such that the instructor can provide proper instruction. Lessons are held on Sundays at North Brunswick High School.

**Adult lap swim is free to full facility YMCA members. (You must pre-register.) Price is \$45 per person for program members. Coaching/instruction is NOT included with lap swim.

We cannot guarantee make-up periods for late arrivals or missed lessons. (Make-up lessons, in time slots other than the one you have registered for, will only be available in classes which are not filled to capacity.) Please consult with the on-deck staff before attempting to make up a missed class. There are bleachers in the pool area for parents to watch the lessons, but parents are not permitted on the pool deck while the lesson is in progress.

- See Swim Level Selector guide for level descriptions. If you don't know your level, register for the lowest level you or your child may be eligible for. Child may be evaluated and moved on the first day, if necessary. (Price increase may apply if moved to a longer class.)
- Note: swimming is a skill which requires repetition to perfect. Most swimmers will require multiple sessions at their current level before moving up.
