

UPCOMING YOUTH BASKETBALL CLINICS

Participants in our Youth Basketball Clinics will develop a foundation for future excellence by developing dribbling, shooting, defense and passing skills through challenging activities beneficial in high level sports. We aim to develop a lifelong passion for the game of basketball in boys and girls by teaching them the fundamentals of the sport while instilling core values including teamwork, respect, and sportsmanship.

- Raritan Valley YMCA Program or Facility Membership is required
- The Clinics are open to age groups 7-9 and 10-12. Each clinic will be two hours and the cost is \$30 per child.
- Registration is limited – 15 spots maximum per group. An exception may be made if your child is not between the ages of 7-12.

***** Dates of the clinics are subject to change. If for any reason the instructor changes the date and you can no longer attend, a full refund will be given *****
