Preschool Sports Descriptions

Building Block Tennis: Children develop a foundation for future excellence by experiencing fun and challenging activities beneficial to learning basic tennis skills. Participation is encouraged through our experienced and caring certified coaches.

Preschool Soccer: YMCA Preschool Soccer is an exciting sport combining team play and individual skills. While basic skills of the game are developed through drills and games, every child will learn discipline, sportsmanship, and values to be successful in life. Boys and girls are welcome to play!

Sports Bugs: An introduction to sports. This class will help build children's motor skills and hand-eye coordination. Children will also learn foot skills to prepare them for the sport. Every class will end with a fun, competitive game! Sports will include: Flag Football & Soccer.
